Bio for Miss Prince:

Prince is excited to join our team of teachers and has 10 years of private lessons on cello, and it definitely shows. As a recent graduate of River Ridge High School, Prince will be continuing her musical education while teaching.

Prince has also been playing bass for 6 years, and has been gaining experience helping out with the orchestra for the past 3 years at River Ridge High School and already has been teaching privately.

Miss Cristina was attending a concert, and saw Prince in action, and was immediately in awe of not only her ability, but the performance quality on stage.

Being an assistant to both Carly Scholz & Travis Henry has solidified a strong foundation in working with youth, but all ages are welcome!
